

Harrisburg University of Science and Technology
Institutional Review Board
Modification of Approved Research Study

Please forward this form, filled out completely and signed either physically or electronically, to IRB@HarrisburgU.edu with any changes.

Note: Do not use this form for changes made prior to IRB approval or in response to an IRB review.

IRB File No. 20211110

Original IRB approval date: 6/25/2021 (and been extended)

Project Title: Semantic Priming Across Many Languages (SPAML)

Principal Investigator: Erin M. Buchanan

Please check the type of modification being submitted:

- ☐ **Change in procedure addition deletion modification** Describe: Click or tap here to enter text.
- ☐ **Change in study personnel addition deletion modification** Describe:
- ☐ **Change in research site addition deletion modification** Describe: Click or tap here to enter text.
- ☐ **Change in subject enrollment Increase or Decrease.**
Describe Click or tap here to enter text.
- ☐ **Recruitment Material/Advertisement Change**
Describe Click or tap here to enter text.
- ☐ **Consent/Assent/Permission form changes**
If this is checked, attach a copy of the current approved consent document and a copy of the proposed consent document with changes highlighted.
Describe: Click or tap here to enter text.
- ☒ **Other**
Describe We are requesting an extension, as data collection is still ongoing.

Discuss if the modification(s) will affect research risk and/or benefits.

None expected.

I understand that I cannot initiate any changes in my approved protocol before I have received IRB approval and/or complied with all contingencies/stipulations with regards to that approval.
